TO BUSINESSES AND RESIDENTS IN THE VICINITY OF THE RUGBY ROAD, EMSCOTE ROAD AND WARWICK NEW ROAD JUNCTION

Dear Business Owner/ Resident

**Engagement on proposed Improvements to the junction of Rugby Road, Emscote Road and Warwick New Road**

We are writing to inform you of our intention to carry out important improvement works at this junction in the summer of 2026, to improve pedestrian safety and route connectivity.

The improvements will include:

- Installation of four new push button pedestrian crossings.
- Removal of the unimpeded traffic lane onto Rugby Road (travelling east from Warwick towards Leamington Spa) and replacing with a dedicated left turn lane at the traffic signals.
- Removal of the Give Way waiting area and the creation of a dedicated right turn lane at the traffic signals for movements between Warwick New Road into Rugby Road.
- Replacement/upgrade of the aged traffic signal equipment.
- Changes to existing Double Yellow Lines, resulting from the junction layout alterations (subject to Traffic Regulation Order).
- Inclusion of a new maintenance bay for the traffic signals (subject to Traffic Regulation Order).

We have enclosed a General Arrangement Plan showing the proposed design.

As residents and businesses who live locally to this junction, we want to gain your views on the proposals. You can do this in the following ways:

We will also start a dedicated Rugby Road Junction webpage in January 2026.

We will keep this engagement period open until 31<sup>st</sup> January 2026. We will use your feedback and suggestions to inform this work.

Kind regards

Warwickshire County Council
